

Thechurchpharmacy.com

i don't remember from who i heard this but it was quite a while ago

medisurf.com

he will probably mention that he does this all the time whilst in thailand on business trips and makes a lot of money from it

medinyourlife.livejournal.com

ma-pharma.net

all of the men had been for that reason excited to read all of them and have in effect truly been making the most of these things

medrix.org

not surprisingly, the president expressed regret that the coup failed (‘if only the army could get a few people behind them’)
